

Felicia Zhang

(978) 727-5002 • zhang.fel@husky.neu.edu • feliciazhang.github.io

EDUCATION

Northeastern University, Boston, MA Expected May 2021
Bachelor of Science in Computer Engineering/Computer Science GPA: 3.88
University Honors Program Scholar, National Merit Scholarship, Dean's List
Coursework: Circuits and Signals, Embedded Design: Enabling Robotics, Object-Oriented Design,
Differential Equations, Linear Algebra
Activities: NU Women in Tech, Society of Women Engineers

Westford Academy, Westford, MA June 2016
High School Diploma

SKILLS

Technical: Java, C++, Arduino, Git, HTML and CSS, MATLAB, UNIX, SolidWorks, SPICE,
Adobe Illustrator and Photoshop, Circuit Design
Language: Fluent in Mandarin (spoken), Proficient in German (written and spoken)

EXPERIENCE

Northeastern University College of Computer and Information Science Sep. 2017 – Present
Course Assistant for Fundamentals of Computer Science II

- Tutor 150 students in object-oriented program design using Java during weekly office hours and labs
- Provide feedback on and grade programming problem sets

Robotics and Intelligent Vehicles Research Laboratory, Northeastern University Jan. 2017 – July 2017
Undergraduate Research Assistant

- Designed an autonomous assistive robot for the RoboCup@Home 2017 competition in Nagoya, Japan
- Implemented machine learning for facial cognition using facial recognition APIs and OpenCV

PROJECTS

Math It Spring 2017
Cornerstone of Engineering 2

- Programmed a handheld game to help elementary age children learn math facts using Arduino
- Soldered the internal circuit and button inputs and laser cut the external device casing

InTune March 2017
Hack Beanpot, Boston, MA

- Won 2nd place for best use of an Indico API
- Developed the back end of a web app that analyzes a text entry to generate a mood playlist using JavaScript

LEADERSHIP AND CAMPUS INVOLVEMENT

NU Women in Technology (NUWIT) Sep. 2016 – Present
Web Chair (Summer/Fall 2017)

- Update and maintain the NUWIT website with upcoming club events and blog posts using Jekyll and Git
- Connect with local companies to organize speakers and panels promoting and encouraging the advancement of women in tech fields

Northeastern University College of Engineering (COE) Sep. 2017 – Present
Peer Mentor

- Mentor first year engineering students in their transition to college both academically and socially
- Advise students on selecting a major, maintaining productive study habits, and utilizing COE resources
